NOTICE OF DEVELOPMENT APPLICATION

Application Number: PLN-2012-01476

Notice is hereby given of an application for a Conditional Use Permit related to a metal salvage yard at 9910 233rd Ave. E. An application submitted by SK Metals for the above referenced project was received by the City of Bonney Lake on January 3, 2012. The City has determined the application to be complete on January 10, 2012. The application and any related documents are available for public review during normal business hours at the City of Bonney Lake City Hall Annex, 8720 Main St. East, Bonney Lake, WA. For additional information, please contact the Community Development Department at (253) 862-8602.

Project Name: SK Metals Conditional Use Permit

Name of Applicant: SK Metals

Site Location: The project is located at 9910 233rd Ave. E. within Section 1, Township 19, North, Range 5 East, Willamette Meridian, Pierce County, Washington. Parcel number: 0519012048

Project Description: The proposal is to use an existing 4,600 s.f. building and adjacent outdoor space to store, recycle and sell scrap metal.

Requested Approvals: Conditional Use Permit; SEPA threshold determination issued pursuant to WAC 197-11-600(3).

Staff Contact: Heather Stinson, Planning Manager, Community Development Department (253) 447-4355, stinsonh@ci.bonney-lake.wa.us

No preliminary determination of consistency with City development regulations has been made. At minimum, this project will be subject to the following plans and regulations: City of Bonney Lake Comprehensive Plan, BLMC Titles 16 and 18, Storm Water Management Chapter 15.13.

The City of Bonney Lake invites your comments early in the review of this proposal. Comments should be directed to Heather Stinson, Planning Manager, Community Development Department, 8720 Main St. E., Bonney Lake, WA 98391, (253) 447-4355 or stinsonh@ci.bonney-lake.wa.us

THE 15 DAY PUBLIC COMMENT PERIOD ENDS AT 5:00 PM ON January 30, 2012.

This notice has been provided to appropriate local and state agencies, and property owners within 600 feet of the project site. These recipients, and any others who submit a written request to be placed on the mailing list, will also receive the following items when available or if applicable: Environmental Threshold Determination, Notice of Public Hearing and Notice of Final Decision.
