

# TOUCH A TRUCK

“Touch a Truck” will put your imagination in gear and go! Here's a chance for children to get up close and personal and “touch” their favorite big truck! On display will be an assortment of City Vehicles ranging from dump trucks, police cars, and construction rigs for children to look at, explore, and possibly climb on and sit inside the trucks they see every day on the road! This is an activity that both boys and girls will enjoy and is sure to be a hit with moms and dads too.
