

**Land Clearing/Tree Removal Permit**  
**Application Form**

No tree cutting or land clearing activities shall take place without a valid land clearing permit unless exempt from BLMC Chapter 16.13. The land clearing permit will not be issued prior to a building permit or other land use permit being issued.

<b>FOR CITY USE ONLY</b>	PROJECT NAME:
<b>Submitted</b>	

**For a single family residence, the applicant need only to submit items 1, 2 and 3 (a,b,c,d and e).**

**DOCUMENTS (3 COPIES):**

	1. A completed master land use application.
	2. The filing fee, if applicable, is required pursuant to Bonney Lake Municipal Code (BLMC) Chapter 3.68.
	3. Site Plan, drawn to scale, displaying the following:
	a. Date and North arrow
	b. Location of proposed improvements indicated, including, but not limited to structures, driveways, utilities, storm drainage facilities, and delineated environmentally sensitive areas.
	c. Location, type, size, and general condition of non-exempt trees.
	d. Location of new tree plantings.
	e. Detailed explanation of how trees to be retained will be protected during clearing and construction.
	f. Copy of Forest Practices Permit Application submitted to Department of Natural Resources if required.
	4. Narrative of proposed time schedule for land clearing, land restoration, implementation of erosion control, and excavation or construction of improvements.

Additional information may be required by the City. The applicant will be notified in writing if additional information is necessary.

*I certify that I have provided all the necessary information as requested above.*
