Leakage Rate Reduction

[BLMC Chapter 13.04.100\(G\)](#)

The City of Bonney Lake offers a leak adjustment to customers who have had a leak in their private plumbing system after the leak is repaired. The adjustment shall be **two-thirds** of that portion of the customer's water bill which is over the average normal water usage. For details and leak adjustment request form see www.cobl.us/utility_billing or call 253.447.4317.

STORM WATER RATES

Storm Water Rates

BLMC Chapter 15.14

Storm Water Rates	2024
Single-Family Residential (per month)	\$16.15
Commercial and Other Non-Residential Customers (per ESU* per month)	\$16.15

* ESU = Equivalent Service Unit

SEWER RATES

Sewer Base Rates

BLMC Chapter 13.12.082 & Ordinance 1705

For single-family residences, sewer availability charges shall be billed monthly and volumetric charges shall be billed bimonthly. Sewer charges for customers *other than* single-family residential shall be billed monthly.

Single-Family Sewer Availability Charge <i>NOT requiring or using a city-owned grinder pump.</i>	2024
Sewer availability charge*	\$79.09
Sewer Treatment/Volumetric charge per 100 cubic feet (CCF) of monthly water consumption	\$4.92

Single-Family <u>with Grinder Pump</u> Availability Charge	2024
Sewer availability charge*	\$114.90
Sewer Treatment/Volumetric charge per 100 cubic feet (CCF) of monthly water consumption	\$4.92
Grinder Pump Surcharge**	\$20.00

* Per [BLMC 13.12.082\(C\)](#), qualifying seniors/disabled persons may apply for a 20% reduction from the sewer availability charge. For details see www.cobl.us/utility_billing or call 253.447.4317.

** **Grinder Pump Rates:** See [BLMC 13.12.090](#). A separate Sewer Availability Charge applies to single-family residents using a city-owned grinder pump (Grinder Pump rate). In addition, for every building using a domestic grinder lift pump utilizing electric power furnished by the city or maintained by the city, there shall be an additional monthly Grinder Pump Charge to reimburse the city for the cost of the electric power and/or for the service on the pumps.

Notes:

- **Single-Family Residences:** The sewer treatment/volumetric charge shall be capped at 10 CCF per month.
- **Multi-Family and Duplex:** Customers on a single water meter shall pay the single-family sewer availability charge for each unit. The sewer treatment/volumetric charge shall be capped at 8 CCF per month.
- **Mobile Home Parks:** Charged at the single-family rate; when multiple units use one water meter, each unit pays the single-family sewer availability charge. The sewer treatment/volumetric charge capped at 10 CCF per unit per month.
- **Non-Residential:** Charged one single-family sewer availability charge per installed water meter. No cap for the sewer treatment/volumetric charge.
