

# Resident Boat Launch Application

Boat Launch Passes are available for purchase and use by residents living inside the Bonney Lake City Limits only. See also [BLMC 12.12.051](#).

For the 2023 season, the boat launch will be open to **Bonney Lake residents** only. Residents must purchase a Boat Launch parking pass in advance from the Bonney Lake Police Department. This pass allows residents to launch their boat and park in the designated watercraft trailer parking lot at Ballfield 4. If there is no space in this parking lot, then you must have a space to park your tow vehicle and watercraft trailer legally off-site. Please do not park in any other Allan Yorke Park parking lots or the surrounding neighborhoods. For additional details, visit [www.cobl.us/boating](http://www.cobl.us/boating).

## Resident Launch Pass Requirements:

- Each resident boat launch parking pass is \$30.00 plus tax per year.
- Proof of residency is required; you must live inside City limits to purchase a pass. To verify residency inside City Limits, please view the [City Limits Map](#) or visit the Pierce County [about my property page](#) and type in your address. *A Bonney Lake address does not mean that it's inside City Limits.*
- Valid Driver's License or other acceptable identification is required.
- The fee for replacement of an annual pass is \$100.00. No refunds will be given for lost, stolen, or unused passes.

## Purchasing a Launch Pass:

- **Submit an application via US Mail:** Include a photocopy of your driver's license with you address showing you reside inside Bonney Lake City limits, and a check for **\$32.82** made out to the City of Bonney Lake and mail it to:

Bonney Lake Police Department-Records  
18421 Veterans Memorial Dr E  
Bonney Lake, WA 98391

The pass will be mailed back to you. If we receive the request during normal business hours, it will be mailed out the same day we receive it.

- **Fill out the application on our website** and attach a photocopy of your driver's license showing you reside inside city limits. You will then call 253-863-2218 to pay the fee of **\$32.82** and we can mail the pass to you, or you can pick it up during normal business hours.
- **When you are issued a pass:** you will be provided a code to unlock the padlock at the launch. Any changes to the code or launch updates will be provided via email throughout the boating season.
